Annwyl Rev. Evans,

I am writing to thank you for your organization's generous donation that enabled me to attend this year's Cwrs Cymraeg in Edmonton (Camrose, Alberta). Cymdeithas Madog put on an excellent course this year. The teaching staff was fantastic, as it always is, and I learned a great deal with my tutor from Caerffili, Cymru in the advanced class. I feel that my Welsh conversation has improved from so much interaction with teachers and fellow students. As well, the workshops and other activities provided lots of opportunity to learn more about Welsh history and culture.

My Welsh heritage is very important to me as it is with your organization, and I sincerely appreciate the scholarship funding that you provided for this year's cwrs. Thank you very much,

Diolch yn fawr!!

Yours truly,

Angela Vitale (nee Jones)
